30 December 1948

Chief, FBIB

[REDACTED]

1. Personnel Action Request was submitted by FBIB on 6 February 1948 for [REDACTED] requesting her appointment as Information and Editorial Specialist, CAF-7 (\$3397.20). Full security clearance was obtained on 23 December 1948 at which time she was contacted by your office for arrangement of EOD date.

2. [REDACTED] has an excellent background of education, and has had wide experience in newspaper work and in public relations work. During World War II she served in the armed forces as a WAVE. Since 1946 she has been in Government service spending one year with the Department of Public Health at Grade CAF-11, and the past year with the Navy Department at Grade CAF-9.

3. Her prior government service would entitle [REDACTED] to appointment with CIA at the second intermediate step in Grade CAF-7 (\$3978.00). However, she has indicated that she may be unwilling to accept appointment at that salary level.

4. In view of the very great need of the Editorial Division of this branch for the services of this applicant, and because of her excellent background of education and experience, it is requested that she be appointed at the top of Grade CAF-7 (\$4479.60 per year).
